Black Friday is coming just around the corner, and CHS
the best

#1 Amazon. Not only is online shopping taking over the world by storm, but it's also taking over our halls. According to BGR the best deals from last year's Black Friday includes under \$1600 Samsung curved 65-inch TV, \$49.99 All-New Kindle E-reader

#2 Target. According to Investors, Target's shares rose .2%. They got record breaking sales on TVs, Apple Products, and gaming system.

Logan Cornwell(19) believes that "children toys are sold the most since it's getting closer to Christmas"

#3 Victoria Secret. Not only did they have half off of bralettes and sports bras in 2016, but they offered a free tote just for Black Friday, according to their official website.
